Just wait a little longer, Soah!

Young Master! If we go any further we'll be sucked into the whirlpool!
Even though we came at Young Master's request, this is our limit!

NGAHHH!
Even though I don't want to admit it... to have come this far with no sign of Soah. Maybe she's already
If we don't turn back right now, even we will be in danger!

Soah is in there
No
However you look at it, rescuing Soah seems impossible now. We should turn back before it gets even more dangerous.
Soah... is still in there?!

But even if that's true, there's nothing more we can do.
You are a god and have no terror of death, but I am not.
Even though I worry about Soah, I am just a normal mortal who fears death.
Because of your immortal body you have no idea about the terror of death! If you want to save her, please go by yourself! I will head back!
EVEN IF YOU CURSE MY COWARDICE, THERE IS NO WAY AROUND IT! THIS IS JUST THE WAY HUMANS ARE!

I'm very sorry, but right now I am also only a normal human like you.
But I will not abandon her here and go back.

Ha. haha.
You say that you are only human now?
And because you are human, I can no longer use this as my excuse
I was confident I cared for Soah no less than you care for her_

Am I still dreaming, even now?
No !
Mui can't be a dream!
Ahh!

Because
...
If it were not so, at this moment, I would be praying for rain... and not that I could see him one last time...
If only I could see Mui!
Soah---!
?!
Mui's voice ?

No
That's impossible
Mui can't possibly be here
?!

!!
SOAH!!

MY GOD--!
WHAT ON EARTH IS THAT?
DRAGON...
IT'S A DRAGON!
THE DRAGON GOD!
We beg your forgiveness, Master Dragon God ...
For angering you with the intrusion of us humans, who are not offerings to this place.
So even though I said to turn back... if we try now we'll all be doomed...
AHHHHH! ARGH!
AHHHH!
SOAH!

SOAH! STAY WHERE YOU ARE! I'LL COME TO YOU!
Soah is right in front of me...
Dammit... but what can a mere human like me do when faced with a dragon like that!

Dear Heaven...
Mui
It really is Mui.
Aah... Dear Heaven ...

MUI ---!
How... why are you here?
HOLD TIGHT! I'M COMING NOW!
MUI ---

PLEASE STOP!
DIDN'T YOU SAY THAT YOU'RE ONLY HUMAN NOW?!
YOU WILL ALSO DIE!

Don't!
Don't do anything dangerous for me anymore
If you must, then I would rather

Don't!!
I need strength!!
SOAH!!
첨벙!

ドコ

덜컹
툭

Soah!! Wake up, Soah!
스윽
You've woken up?
Muu..?
I am so glad...

Now that I'm here, there's no need to worry about anything
I tricked you and lied to you... Why don't you ask? Why aren't you mad at me?
Why do you always have to worry about me?
You almost died because of me... And you might also die because of me now!

Mui no Kioku
Soah
Have you forgotten? You're a human now, not a god! You could also die!
Why did you come back to me after you left?!
I will not go back
Leave me here, at least you can get back safely, Mui. Please!

If you don't come with me then I will stay here with you.
STOP SAYING SUCH LUDICROUS THINGS!
Sorry - I didn't notice to begin with - I didn't mean to leave you by yourself .. Was it scary, being alone?
Now you don't have to worry about anything. I will protect you. I will never leave you behind again.

?
My god...
What is that?
It's... it's the
Dragon God.

Shinji Mukouda Eiwa
I lost
My perfect self lost

Eiichiro Murakawa Kazuki
You have better luck than I thought, Haback.
The way it looks now, you've finally regained your powers as the Water God

So this means ..
The Goddess of Fortune has changed her mind whilst at the Imperial Palace
Why did you change your mind so suddenly? It makes me curious

Habaek has already regained his powers as the Water God.
Of course, I only lifted the curse I cast. The curse of the Emperor still remains on him. However, I have dealt my side of the bargain, now it's your turn.
If you are lying to me, you'd do well to be prepared.
I want the whole truth and nothing but the truth.
Don't worry.

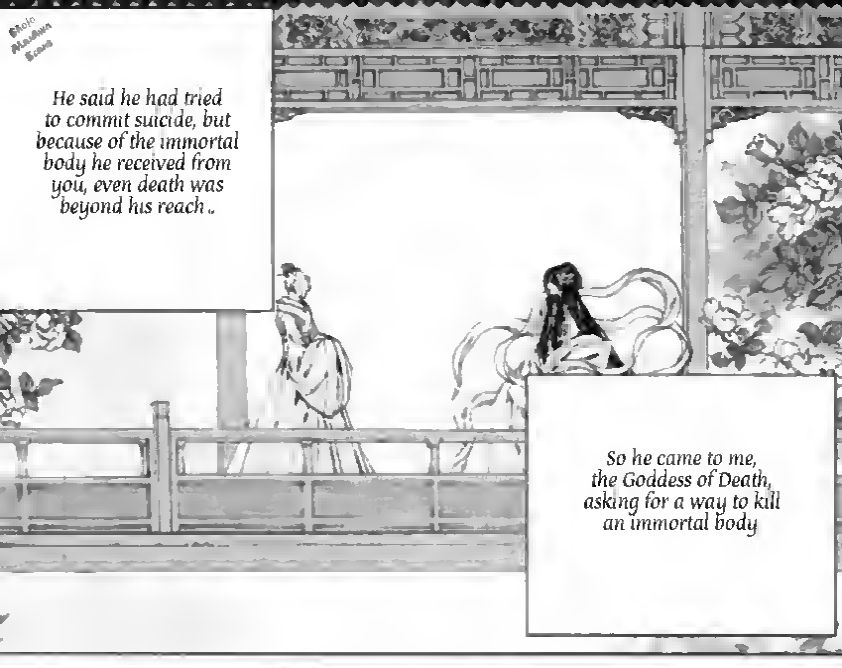
But... before you hear it, please promise me
So... swear to me with a god's oath that you will not harm or stand in the way of my child.
Once you hear this, please let me be responsible for the consequences of his actions.
The love of one's child can really bring tragedy. Perhaps you should worry about yourself first, have you forgotten where you are right now?
I am... I am also a mother. How could I not know your feelings.
If what you tell me is truth and take the consequences, I agree not to touch a hair on Habaek's head.

The story started when your husband, Niu-lang, came to me with a request.
I had never seen him before that, but I knew how things stood from the rumours that were being spread.
Legend had it that a man had won the love of a goddess and became immortal like the gods.
He came alone to find me, the Goddess of Death, with a request.

I have an ardent favour to ask of you, your Highness Queen Mother. Can you teach me how to kill a god.?
Be quiet! So you have become this arrogant now you have an immortal body!
Even though you have an immortal body, how dare a mere human entertain the thought of killing a god —!
No, how could I dare come to you with such intent, Queen Mother?
The person I want to kill is none other than myself.

YOU LIE! YOU SAY NIU-LANG WANTED TO DIE?!
HE WOULD NEVER HAVE DONE THAT!
YOU THOUGHT I WOULD BELIEVE THIS KIND OF LIE?!
It is the truth, Goddess of Fortune. At that time, he longed for death.
The feeling of helplessness as I see my father and brothers in the human realm dying one after another while I can do nothing..
Between gods and lonliness, I can't take it anymore. I cannot lie to myself about the lonliness I feel, the lonliness of being an alien anymore.

Bolo
Muslina
Eana



He said he had tried to commit suicide, but because of the immortal body he received from you, even death was beyond his reach..
So he came to me, the Goddess of Death, asking for a way to kill an immortal body

So I told him only another god could kill a god, but that option was not available for a man who won the heart of the previous emperor of the gods.
I told him if he wanted to die so earnestly, he should ask you, the one who gave him his immortal body, to kill him. Then he told me with a smile that she would never do such a thing.

Nu-lang... he said he was so lonely... that he wanted to die ?
So what did you say to him?

Blanc Mutilina Evans
He seemed very ardent about it, so I told him a way to cause you to kill him.
I told him to kill your son. If he did, then you would take his life.

Eiichi Murakawa Eizou
Ah how did the snow become so thick?
I think I'm lost? What should I do now?
Eh?

That leg... Oh you're that deer from last time It's good to see you again. Is your leg recovering?
Hm? What is it?
Are you trying to get me to follow you?
Are you... showing me the right direction?
Hang on! Slow down!
It seems we're heading for the woods
I thought we were going towards the village I can't believe I trusted a deer
That is?

Grandpa?
Why are you here alone?
我，
迷路了一样
It's dangerous here
Would you head back
to the village with me?
Eh ah!

I can't lose my way here
...Cowherd...
WAKE UP COWHERD!
YOU SAID YOU WERE GOING TO GET SOME WOOD. WHAT ARE YOU DOING HERE?!
Bro... brother?
Do you know how worried mother is? She's so furious that she made me come out in this snow to find you.
I'm sorry, brother I lost my way in this snow
What happened to the firewood? I don't see any at all! Did you run out to have fun instead?
It's not like that... An old man had lost his way so I had to leave the wood to carry him.
A lost old man? How can you lie like that at this time? So where is he?
Ah, it's true! I carried him back here earlier on. He is there...

Eh?
What is this?
This is
Isn't that ginseng?
Wow!!! It's more than a hundred years old! To think you were able to find something like that, Cowherd.
It couldn't have been that old man
Then... perhaps that deer...

...Wanted to give me this which is why it led me here
탁
탁
Oh, it's you again?
Thank you for helping me back then. I would be dead if it wasn't for you.
Oh yes, I've sold that ginseng. Thanks to you, my brother was able to get a wife.
AH! WHAT WAS THAT FOR?!
퍽

I know that you worry for me, right?
I'm fine. I'm happy so long as my brother is too. So you have nothing to worry about.
This is really amazing. It's as if you understand what I'm saying.
You are the only deer I've seen with snow white fur. You are not a normal deer, are you?
AH! WHAT IS IT AGAIN?
Idiot!
꽉 꽉

Ah, my name is Cowherd. Will you be my friend?
Brother! Hang on, where are we going?
If we catch it, we'll get a high price for it! I want to lure it in my direction, got it?
I saw a white deer passing by a few days ago!
? !

No, brother! That deer helped me when I was lost in the woods, and it's my friend!
Being friends with a deer? What are you on about?
Stupid or what?
GO HOME IF YOU DON'T WANT TO HELP ME!
BROTHER!
Shh! Be quiet! I finally found it. That is it. I won't hesitate, even if you try to stop me. So you'd better stay still.
I'll definitely make a huge profit with this rare fur.
AH... NO!!

?!
COWHERD!!!
YOU... YOU FOOL!
THIS... THIS ISN'T MY FAULT...!
THAT GUY, HE...
Cowherd...!

Cowherd...
I am punishing you for being selfish and not learning from your mistakes.
Until something bad happens and you shed your first tears!

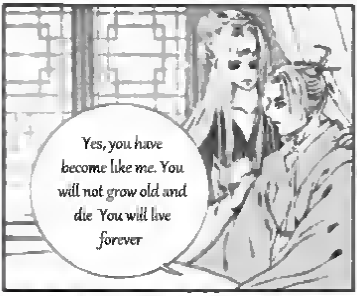
Father!

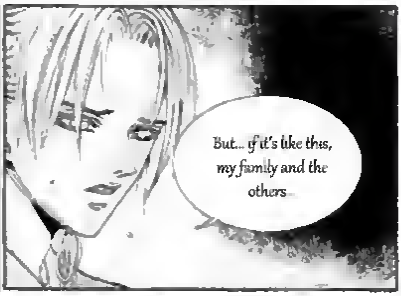
Cowherd.
You are..?
That bandage is
Don't tell me you're that.

I'm not a deer, but a goddess from the Heavens. I am hated by my father, the ruler of the skies, who loves the people of this world with all his heart.
When an epidemic occurred, I hid all the medicine that was supposed to treat them and caused many to die. Father was so angry he turned me into a deer and banished me to the mortal world.
To show my gratitude, I can grant you any wish.
Fame, wealth, anything you want in this world. I can help you get it.
Cowherd, it's thanks to you that I've been able to remain in the mortal world for a hundred years and return to my original form.

Then...
Will you stay by my side?

A mortal who had no desires of his own
And a goddess who never cared for anyone but herself, meeting and falling in love.
Alright.
And they lived happily together for a long time
And we assume the story ends like this.





2012 봄을 여러분에게 고루 토크쇼를 주시어 감사하고 좋아요 여러 작가님 응원합니다 오고 있으세요. 님 여러이야기인 여러가 오고소에 대한 여러분 여러 응시에 있을이 감정하는 것 중심/ 여러가지 문제로 인해 여러님에서 많을 많은 작품을 만고 가셨어요어. 함께 간 가지의 문안에 좋은은 여러분의 를 여러분이고 여러은 다만 많은에 도움에 여러가 여러으로 드리는 것 입니다. 은 여러을 들고 여러니 를 ——됐었고 여러님 많은에 가셨지 좋은 고—을 더 많는 거 됐어 드리고 더 많이 구입하시고 더 많이 즐기다 오시길!

Look over there, that's the mortal that the Lucky Maiden brought back from earth.
Chey! A mere mortal who wants to be on the same level as us gods? I really can't stand living in the same area with someone who is so selfish and despicable. What's more, they even grant him eternal life!
Even though I'm really unhappy about this, I'm afraid of the consequence it will bring by offending the Emperor.
What will the child of a god and a mortal be like? It isn't a god or a human. Will it suffer the same fate as its father? Not belonging anywhere but continuing to live?
If this continues, no one will want to associate themselves with them at all! Perhaps during this time, something drastic will happen.
What's wrong, Cowherd?
Mother passed away within just a few years and my brother passed on today too...
I'm all alone in this world. What should I do? How should I go on living my life?

Why are you fussing over such things?
It's probably a good thing since all that person does is shout and makes use of your kindness all the time
From here, you will be able to become the perfect deity
From now on, your son, Yang Jian, and I will be your only family
If I were to give up my status as a god and become mortal again, would you come to the mortal realm with me?
Having the powers of a god and enjoying eternal life .. Why do you have such foolish thoughts?
What kind of question is that? Aren't we happy together now? Why do you even think this way?
During that time, I wasn't able to understand what was going on in his heart

Don't pin such high hopes on him.
Mortals are vulnerable creatures inside. I'm not sure why, but I don't have a good feeling about him. I'm afraid you'll get hurt if you fall too deeply for him.
You worry too much, father. Please be assured that we are very happy together
You are still as selfish as before. You only think of yourself and don't consider his feelings
Father, you don't know a thing. We love each other very much.
Cowherd? Are you here?

Cow... herd?

Destroy the
mortal world?!

Were you lying when you said that you didn't care about anything at all?
DO YOU REALLY HATE HUMANS SO MUCH THAT YOU ARE BENT ON DESTROYING THEM?
You are simply just hiding your despicable self behind that mask!
I will not believe a word that you say unless, I see it with my own eyes. I will never believe such non-sense that Dongwanggong is dead!

My apologies, however, it wasn't my wish that I continue to wear this mask.
?
It's my mother, Yo-hee, who made me wear this

She is afraid of my ability to transform into others and read their minds
which was why she gave me this mask one day. Wearing this mask will curb my powers.

You don't have to take pity on me.
Wearing this mask makes me feel at ease. In fact, people tend to be more afraid of me if I didn't wear it.
Then...

Yes, everyone had the same expression as you do right now.
YOU AREN'T FIT TO EVEN TRANSFORM YOURSELF TO LOOK LIKE HIM!
Why? Isn't this the face of the one whom you missed so much?
That's strange, you weren't even afraid of me even though you knew of my abilities.
But now, you fear me like the rest.
just like my mother.

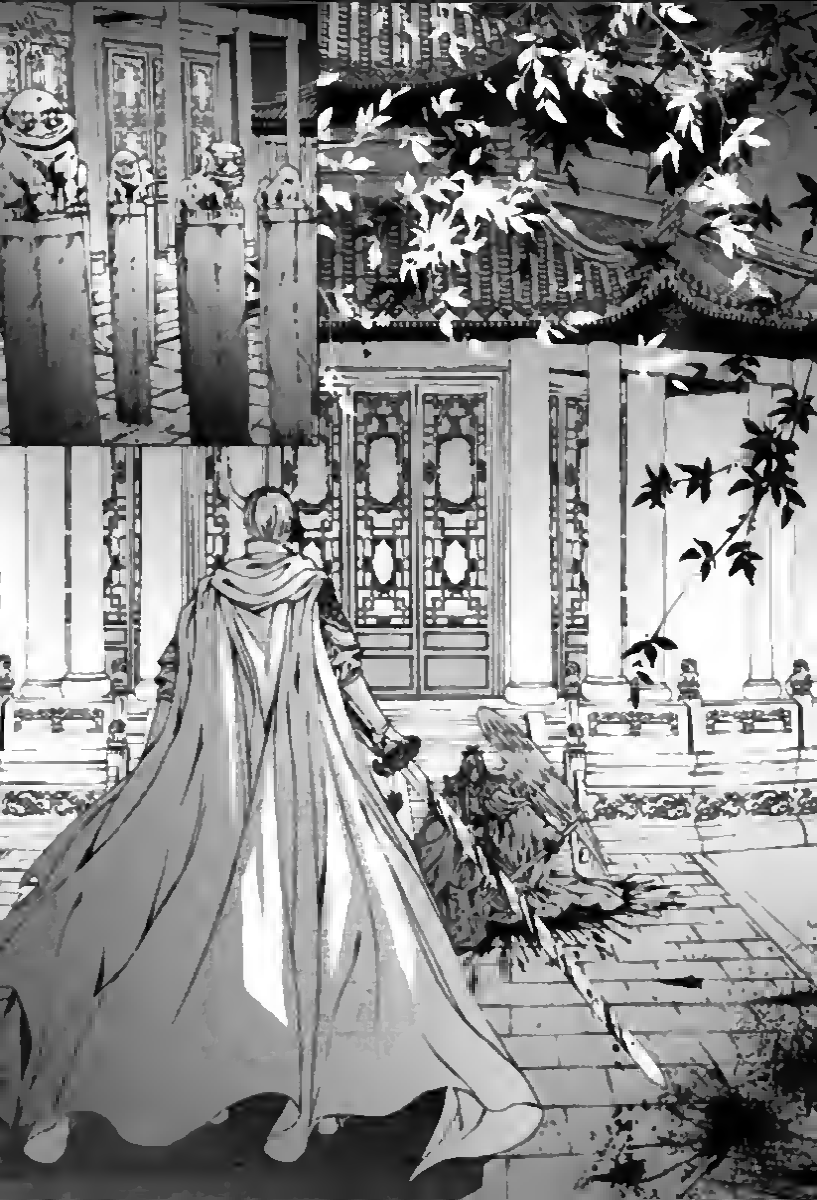
I did mention that I have never cared about the immortal and mortal world right.
The only person whom I have always cared for, is you, Yang Hee.

He isn't trying to threaten or test me !
Who is the person standing in front of me now?
Is he the Hyun won that I know?

Dongwanggong!
My mother has seen the future

Dongwanggong, you will lose the will to fight and there you will die by the sword of my older brother
That predicted future is now a reality
But, this isn't the end.

After that. It was pitch black
But who knows that could be the real future.
For now. what's left of the future is a pitch dark-ness



WHY DIDN'T YOU AVOID THAT ATTACK WHEN YOU COULD EASILY HAVE? YOU ARE SUPPOSED TO SAVE YOUR WIFE WHO IS BEING HELD HOSTAGE BY HYUN WON!
She will be fine
It seems like you two brothers don't understand each other at all.
Yes, if the both of you knew each other better, you wouldn't have come here.
I'm sorry that you had to do this.

Will you take care of Suhwangmoh and Habaek for me?
TAKE CARE OF THEM YOURSELF! I WILL NOT LET YOU DIE!
Although you say those words, but you have never turned down my request before.
Don't you dare laugh I will turn you down this time. So you had better heal fast
DONGWANGGONG?
NO, BUSANG! GET UP!

I have already promised her
That I will let you return alive no matter what.
Which is why I will not let you die like this
Even if I were to exchange my life with yours.

아아아아

Aren't I already dead?
Why am I still alive?
Then who is this?
Who is that lying over there
That's me?!

This is my body!
That is my body!
Why am I wearing Shin Nong's clothes?
?!
Don't tell me

If that's the case,
Is this the future that Lady Yo-hee had seen?
Shin Nong... Allowed me to continue living as him?
Did he just allow me to continue living to fulfill his destiny?

Dongwang-gong's destiny ends if he goes to the Moon Palace.
He still went ahead despite knowing what will happen
And he died there.
That's his destiny
Then after...

I have only managed to predict Dong-wang gong and Shin Nong's destiny till here
The only thing that I wasn't able to predict is..
Is the fate of this young girl who has fallen in love with an immortal
The girl who is caught in between the destiny of an immortal..
We're here..

How will they change the future .
We have finally reach the Water Country.
코아아아!

This feels really strange
But, I have really missed this place.
The feelings I had when I first came here was fear and loneliness.
I will lead you to Habaek's quarters
This is the Water God, Habaek.

Of course.
Now this is your home.

Mui.
The atmosphere seems pretty good here.
Aren't you going too far, Hakuoki?
Making me return to the Water Country without a single word from you.
Do you know how worried I was?

Shuji Ajianhua Series
Even after returning to the Water country somehow I still feel like I'm in a dream
But... things will never be the same again.
I will never see Mui... Feilian... and Hoo Yi again...

Study of Tendency Scene
Things will never be like the past.
And...
If you didn't appear, that child will never be human, and he will never die like a human!
If you remain by his side, bad things will always happen to him.
Suhwangmo is right.
Mui will remain like this forever...
While I will grow old alone...

Shoji Nishimura Scene
And he will be alone again when I die
Before this ever happens
Soah?
I'm sorry, Mui. I'm tired. I'm going back to my room to rest.

Simply thinking about not being able to see Mui again...
You seemed troubled.

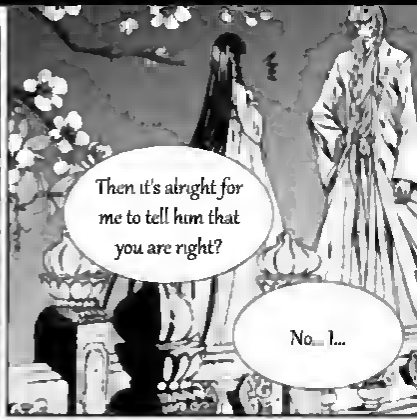
Hoo Yi?
What are you doing here? Don't tell me...
Don't worry. I'm not here to fight.
I was sent here by Suhwangmo, which is why I'm here temporarily.
Although it does seem like I have nothing left to do here.

Do you intend to leave Habaek?
How did you know?
I know all about the deal between you and Suh-wangmo.
I know you aren't someone who will go back on your word.
He lost way too much because of me. And with my current lifespan, I will not be able to remain by his side forever. Which is why I should leave before I inflict more pain on him.

I have always regretted that I never took Nakbin away.
I don't wish to regret this once more If you would let me, please let me help you escape.

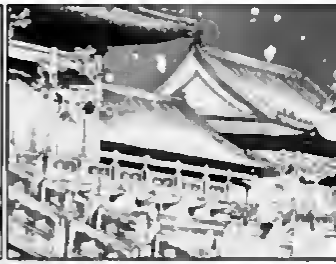
What should I do?
Is it a good choice for me to leave with Hou yi?
Oh, you are here, Miss.
Tae-eul-jin-in.
Were you avoiding Habaek just now?

No, it's not like that.



Then it's alright for me to tell him that you are right?
No... I...

Hehe... well, alright. Even though I don't know the reason, I'll just pretend that I did not see you.
I'm sorry...



What happened in the mortal world?
It seems like Missy is avoiding you, Haback?

Don't tell me she is starting to get tired of you?
If you want to look for flowers, then you have to go where the flowers are blooming
MU..MU!?!
Is that true that you have been avoiding me?

!
What have you been thinking about?
PUT..PUT ME DOWN! MU!!
No. If I put you down you will try to run again.
Run... why would I do that? I was about to return to my room since it was getting dark...
Don't tell me you have forgotten?

We haven't even spent the night together as man and wife.
?!

Heart racing

But before that...
I need to get rid of them first.
?
Hahaha, such a coincidence. I can't believe we actually met at such a place.
Soah! You are back!

Shojo Manhwa
OAH, YOU DIDN'T EVEN TELL ME THAT YOU WERE LEAVING! I WAS REALLY WORRIED SICK.
YOU ARE NOT TO DO THIS AGAIN, YOU HEAR ME?
I'm sorry, Yo Hee.
Anyway-
Welcome back, Soah.
Welcome back, child of the mortal world.

Shojo Manhwa
I was so sored without you. Did you miss me? -Huh? -Huh?
The two onlookers who continued watching despite knowing Yo Hee s true personality
We will never get used to this somehow
Ah! Hang on, Yo Hee... Where are we going?
Hurry, Soah!
Haback, I'm taking Soah with me since I haven't seen her for quite a while!
Yo Hee! Wait for me!

I guess it's fine?
It's merely a day... you will be able to spend lots of time together in the future anyway, right?
Yes, we will.
But, why do I feel insecure about this?
Although she's right in front of me, somehow I always get the feeling that she will disappear in a second

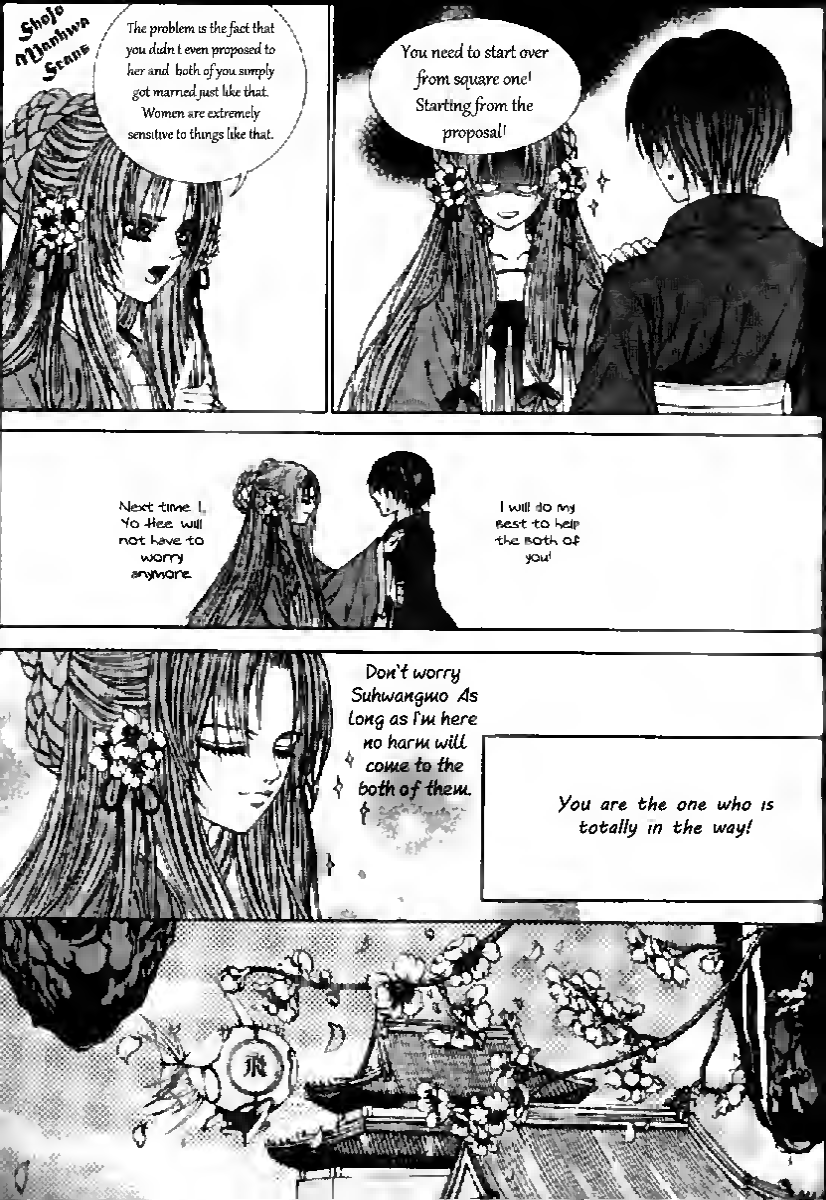
Soah, I've heard that you have found out that Mui and Haback are the same person, right?
Ah, Yes.
Congratulations, you are now an official bride of a Water God, Soah.
I've also heard that both of you had a ceremony in the Moon Palace
Thank you, Yo Hee. I'm sorry for worrying you.

But, do not lower your guard even though the both of you are now man and wife.
If you keep showing that you have feelings for him, you will constantly be led by him all the time
What will matter most starts now!
A mortal man and an immortal man are of the same kind! They will not hang on to something that can be easily obtained!
Even though both of you have gone through the wedding ceremony, you must ensure that he doesn't have anyone else on his mind!
With your current state, these men will get tired of you quickly!
Anyway, you have me here, therefore, don't you worry!

Oh yes
I'm leaving Habaek anyway, therefore it will be good if I keep a distance from him
This way he will not hurt as much
This cannot go on... I need to restrain my feelings towards him

Soah-
What did you and Yo Hee talk about yesterday?
I'm sorry, but I'm busy now.
Look for me when I do have a little time alright?
I'm going now.
She dumped you?
He's being dumped.

She is probably tired of you. Or perhaps, she isn't interested in a child at all?
Women tend to be more sensitive after marriage. Besides, women are really delicate creatures
Both of you are really noisy.
Seriously, what's going on? Things between the both of you seemed fine last night.
Which is why you men really don't understand women at all.
Ferocious -->
Ferocious



Shojo Manhwa Scans
The problem is the fact that you didn't even proposed to her and both of you simply got married just like that. Women are extremely sensitive to things like that.
You need to start over from square one! Starting from the proposal!
Next time I, Yo-Hee will not have to worry anymore.
I will do my best to help the both of you!
Don't worry Suhwangmo As long as I'm here no harm will come to the both of them.
You are the one who is totally in the way!

Soah!
Why are you following me? Didn't I tell you that I will be busy the entire day?
You didn't have to act like that
Then ... what about later
I have something for you. I won't take up too much of your time.

Shojo Manhwa Scans
I've always wanted to give you this.
But somehow, I never got the chance to do so. So I'm giving it to you now
What is this?
I heard this But Jade pendant is supposed to help to ensure a happy marriage
One was given by my mother when I was in the palace
The other was given to me by Dongwanggong from the Moon Palace

It's a love token between two lovers holding half of the pendant. The two of them wanted my wife and I to have it.

It's a love token between two lovers holding half of the pendant The two of them wanted my wife and I to have it

No
If I accept this
Habaek... I....
Should I turn him down now

Why did it rain suddenly, Habaek? The same thing happened previously
That's because you looked like you were going to cry
Please don't cry. I don't know what am I supposed to do when I see a woman cry.

Although I don't remember the exact details, but, I saw mother having the same expression as you did when I was very little.
And all I could do was to make it rain. After I did that, mother smiled at me again.
This means... Habaek... is trying to find out what exactly am I feeling right now?

Is it because you liked the gift so much?
Soah, why do you look as if as you want to cry...
And those were tears of joy for me?

Shojo Manhwa Scans
Thank you, Mui. I will cherish it.

That...
Have you made up your mind?

I have to leave today
There isn't much time left,
please tell me your
decision.
I understand,
Please take me with you.
WHAT DID YOU SAY
JUST NOW?

I'M ASKING, WHAT EXACTLY DID YOU SAY JUST NOW!
